Napko Auto Care

The intersection of honesty, excellence, and worth !

"When we started, we decided to wipe the slate clean and start off fresh with the simple idea to make the best quality chemicals manufactured right here in Coimbatore to the highest quality At Napko Polishes, we don't just have customers, we have a family that we love to help achieve their goal of unmatched shine. We've opened our hearts, minds, and passion to all of you-listening, teaching, learning, and growing to become more than a company, but a movement. At our core, we are a culture of thinkers and makers. We are more than just a product company that executes ideas and innovations. We live and breathe the world we create. Detailing isn't just something we do; it's a lifestyle that we live day in, day out and makes us who we are."

BRAND MISSION

At Napko, we're dedicated to solving car problems with high-quality chemical products that deliver results you can trust. From polishes and waxes to cleaning solutions and fragrances, we aim to enhance the driving experience by ensuring every car shines bright and stays protected. Our commitment to excellence means our products not only clean but also preserve, making your car care routine a breeze. Let's keep those rides smooth and stylish!

BRAND VISION

At Napko Auto Care, our goal is to become the top car care brand in the world, known for our constant dedication to quality, innovation, and client pleasure. As we consistently push the limits of industry innovation, we hope to motivate professionals and auto enthusiasts to maintain their vehicles to the highest standards. By offering innovative products that improve the appearance, functionality, and longevity of automobiles across the globe, we hope to make a lasting impression. Our goal is to become the go-to, dependable partner for automobile owners, surpassing their expectations at every turn and establishing new standards for superior car maintenance.

Excellence on a World Wide Scale :

We at Napko Car Care are extremely proud to manufacture premium car washing and detailing supplies. In addition to being acknowledged in our native India, our dedication to quality has garnered recognition and appreciation on a worldwide scale. We are accessible in additional nations, such as Sri Lanka, Mauritius and Oman. Napko auto care solutions are now widely associated with excellent performance and outcomes.

Proudly Manufactured in India , Made in India

Our commitment to quality, innovation, and customer satisfaction has allowed our products to transcend national boundaries and be embraced by automotive enthusiasts, professionals, and detailers worldwide. We are thrilled to announce that all Napko products are made in our state-of-the-art factory located in Tamilnadu, India.

MICROFIBER CLOTH

- **SHORTER DRYING TIME:** The unique double-twist pile construction absorbs more water on the first pass, with less friction and drag than other towels. Drying your vehicle even quicker with just one swipe, for all sizes of vehicles!
- **SUPERIOR MATERIAL:** Made from ultra-fine and super absorbent microfiber fabric, this towel glides quickly and effortlessly across the surface, drinking up spots and drops instantly without scratching.
- **SOFT INVISIBLE EDGES:** This towel will not scratch or scrape like ordinary towels. The inside sewn, hidden edge design makes sure that you are not dragging a non-microfiber edge across your paint. The beefed-up edge is perfect for getting into moderately tight spaces like door handles.
- **USE AND REUSE:** When used on a clean vehicle, it doesn't need to be laundered. You can hang it to dry and reuse it as often as you need to, saving time and money.
- **GREAT FOR GLASS:** This microfiber towel leave streaks or water residue. This towel is gentle, yet it won't leave behind lint or other traces, making it perfect for cleaning car windows quickly and efficiently—the first time!

FOAM MASTER

- **HIGH PRESSURE MANUAL FOAM SPRAYER:** Discover the efficiency of our manual car foam sprayer that creates thick and rich foam for various cleaning tasks. The continuous, large fan-shaped spraying pattern helps you cover more cleaning area and hard-to-reach corners. With two different nozzles, you can easily switch between spray modes as per your needs. Try our foam sprayer for car washing today to make your cleaning tasks easier and more efficient!
- **DURABLE QUALITY:** Our sprayer is crafted from premium and stable plastic material, making form spray both lightweight and durable. The 2L large capacity is perfect for a range of cleaning needs. Whether you're in your garage, driveway, or garden, this manual pressure sprayer is your ideal companion for quick and effective cleaning and watering. Experience the convenience of on-the-go maintenance today!
- **SAFETY VALVE DESIGN:** Your safety is our priority. This foam sprayer comes equipped with an innovative anti-explosion safety valve. A simple press of the dedicated button releases any built-up pressure, giving you peace of mind during use. Don't compromise on safety choose a car cleaning sprayer that protects you while getting the job done
